SHARON HIGH SCHOOL

1958 Mirror

Three years ago we came—

And now we leave.

How quickly the years pass when every day is full of fun and work,

Of things worthwhile.

It seems but yesterday that we entered Sharon High

In the spring of our young lives—

And how like the spring we were,

Windy and inexperienced and full of the promise of things to come.

But soon our rough corners were worn or paddled off;

And we began to sense the spirit of Sharon High,

To fall into the swing of new daily life,

To be a living, breathing part of what to us seemed one great body.

We took life as we found it,

Playing the game with all that was in us.

Now that the time has come for us to go,

We pause for a moment,

Looking in retrospect o'er the things that we found worthwhile

In our days at Sharon High.

The P. A. Jones Chapter of the National Honor Society was organized to create enthusiasm for scholarship, leadership, and service, and to encourage the development of character in pupils of Sharon High School.

To be considered for membership, a student must be a junior or senior and must have a scholastic average of three or better. Members are chosen by vote of the faculty. Two inductions are held annually, one in January to admit seniors and another in May to admit both seniors and juniors.

Membership in this society is one of the greatest honors a student can receive.

Quill and Scroll is an honorary international publications society founded to promote and improve high school journalism.

To become a member of this select group, a student must have done outstanding work on either the Mirror or the Gazette, rank in the upper third of his class, and have the recommendations of three teachers.

Miss Anna Grace Smith is the advisor of the Sharon High Chapter.

Reflected in the Mirror are our.....

The Mirror Staff is responsible for the preparation of our school annual in which school life is pictured in its various phases.

Their work includes selecting the theme of the Mirror, choosing the color and design of the cover, and gathering, editing and arranging the literary and pictorial portions of this book.

Membership on the staff is based on interest and adaptability to the work involved and is limited to members of the senior and junior classes.

Should this book serve to bring back memories of three eventful years spent at Sharon High and to revive the Tiger spirit, the staff and its faculty advisor, Mrs. Olga Connelly, will feel that their efforts have been well rewarded.

Sharon High School is promoted in every possible way by the Gazette, which reports both social and academic school activities, giving its readers an accurate and complete account of school life. Spice and clarity are added by the use of pictures.

To become a staff member, one must have seventeen inches of original material printed; and to remain on the staff, he must continue to furnish first rate news items.

This year the Gazette helped further public relations by publishing eight fine issues in the Sharon Herald.

This success of our newspaper can be attributed to the excellent work of its staff, under the guidance of Miss Anna Grace Smith.

The Business Staff keeps the financial record for the Mirror

The combined efforts of the Business and Advertising Staffs make possible the publication of the Mirror.

Scheduling senior portraits and handling all subscriptions to the Mirror are important duties of the Business Staff.

Many hours are spent by the Advertising Staff visiting business and professional people to secure financial aid for our yearbook.

Mr. Arthur Houck advises both of these essential groups.

One of the fastest growing organizations in Sharon High School is the E. Vernece Saeger Chapter of the Future Teachers of America. The club, which boasts of over fifty members, was founded in 1955. Its main objective is to stimulate interest in the teaching profession.

Speeches, panel discussions, and movies serve as interesting programs throughout the year.

Miss E. Vernece Saeger is advisor of this organization.

The colorful voices of our Concert Choir . . . . . .

The Sharon High School Concert Choir, under the direction of William M. Blough, has worked long and hard for its reputation as one of the finest choirs in the area.

The members of the choir consist of those Sophomores, Juniors, and Seniors who have passed a rigid audition.

Several times throughout the school year, the choir presents, in a professional-like manner, a concert of varied music. The traditional Christmas and Spring Concerts are always musical highlights in the valley.

The group is also very proud of its own system of student government and self grading, which has proved very effective.

The answer to such success for an amateur group? A most able director plus the determination of the members to produce nothing but the best in music.

The Orchestra interprets the music....

Orchestral music tells a story or paints a picture with musical tones, requiring practice and close attention to the director.

By practicing arduously during four activity periods each week, our orchestra is able to present programs of appropriate instrumental music whenever the occasion arises. The pleasant result of its tireless work is demonstrated at concerts, assemblies, plays, and special school programs.

Upon the departure of Mr. Frank Daly, Mr. Ronald Teare was chosen to conduct the orchestra. The fine co-operation between the orchestra and its directors has helped make this year a successful one.

What's a football game without the band . . . .

We take great pride in our Sharon High School Band. Mr. Boles and its members should take a bow for their splendid performances.

Our one hundred and three piece band plays for concerts and rallies and provides pleasant half-time diversion at football and basketball games. Its talents, however, are not confined to school alone; for the band often participates in various community celebrations, such as the Halloween and Memorial Day parades.

The last week in August and ninth period every day, the band can be found in the auditorium or on the football field faithfully rehearsing for its next performance.

The Future Nurses' Club of Sharon High School helps girls to obtain a general knowledge of nursing.

New members receive a week of training at the Nurses' Home. Then they begin working at Sharon General Hospital, making beds, arranging flowers, and feeding patients. "As we help, we learn" is the club's motto.

After completing twenty-five hours of service, the girls receive name pins.

Miss Mary Benbow is advisor of this group.

The 1957-58 Tiger squad could well be called the "Hard-Luck Outfit." For half the season some members of the squad were handicapped by injuries. Such was the case for Big Tom Phillips, who broke his wrist, and Joe McNerney, who suffered a broken ankle. Other members of the squad were hampered by the flu, making practice sessions irregular and difficult. Despite these setbacks the team enjoyed a fairly successful season.

Last August many green sophomores and juniors turned out for practice, challenging the pre-season test, and giving the hint of a strong foundation for next year's squad.

However, the team will miss those rugged Seniors who have carried the burden for the past three years. These boys will always be remembered for their efforts, competitive spirit, and individual performance.

xWPIAL eliminations
*Section 3 games xxWPIAL semi-finals

Half-way through the season even the most ardent Sharon High fans conceded that because of their inexperienced squad the Tigers had little hope of retaining their Section III crown.

However, interest and enthusiasm mounted as the Tigers, through their excellent defensive tactics, continued to win most of their games.

Highlighting the regular season's play was the final home game in which Sharon and Farrell, tied for first place in Section III, battled fiercely for the coveted crown. The Tigers' diligent practice and expert coaching paid off, as Sharon emerged the exultant victor, 55-46. This victory opened the doors to the Pitt Field House and a chance to defend our State Title.

Hopes ran high as Sharon won their first two WPIAL contests. Washington, however, had their own title ideas and eliminated Sharon in the semi-final round.

This season marks the end of high school basketball careers for Ed Winters and George Kemper who gave sterling performances. Special credit goes to these boys and to Coach Bud Laycock and Assistant Coach Don Bennett whose tireless efforts have continued to produce winning teams.

Its members are schooled by Miss Dorothy Weller in the arts of organization, demonstration, and instruction, making them leaders not only in gym classes, but also in other activities. In addition to scoring and refereeing intramural contests, the girls spend twenty periods per year for seniors and thirty for juniors and sophomores perfecting their work in physical education.

These girls well deserve the awards they receive for three years' service.

Hail! all hail to Sharon high School, Bright the torch for thee we bea
Hail! all hail to Sha-ron high School, Far and wide thy ban-ners fling
May it burn as bright for-ev-er As its glo-rious light we share.
May they float on high for-ev-er As our tru-est gifts we bring.

At thy feet we lay our tro-phies, hon-'ring thee we can-not fail
At thy feet we lay our tro-phies, hon-ored thus we dare not fail
In our hearts a rev'rent greet-ing,
School tri-um-phant spir-it splen-did,
Hail to Sha-ron, Hail!

Written 1932

Three years ago we started
To scale this golden chain.
Link by link we struggled
To reach our goal—our aim.

Time passed by so swiftly!
It was hard to be aware
Our Senior year was over,
Its joy—its grief—its care.

So the class of '58 must leave,
As they who did before—
To tread these "Halls of Ivy"
Never, nevermore.
